

NEW
swifty 3

THE SWIFTY FAMILY

One family. Three sizes.
Always easy to use.

Thomashilfen

Here is our **Swiftly³**

Strong. Stylish.
Ready for any journey!

The new Swiftly 3 has been specially developed for users with a **height of 150 to 175 cm (59.1 - 68.9")** and a **body weight to 82 kg (180.8 lbs)** — for everyday use with ergonomic innovation and a compact design.

Perfect for life on the go
engineered down to the last detail:

Riding comfort

Sturdy, maneuverable and comfortable to push in everyday use.

New adjustable back height:

Allows for precise adjustment to your child's needs and combines optimum comfort with modern design.

Improved positioning:

Optimum head support (new!) and an anatomically correct posture for the upper body and legs.

New upholstery:

Extra-thick padding for a high level of comfort, as well as a breathable cover that is machine-washable at 60 °C

Compatible with accessories:

A clever upholstery design provides ample access for easy fitting of accessories.

New folding mechanism:

Intuitive and effortless — ideal for everyday use.

Crash test passed!

Maximum safety for **all** passengers. Approved for safe transport in a car.

Pin-lock-brake:

A secure hold throughout its entire service life.

Developed from
professionals.
Built for
everyday life.

The new design, featuring high-quality oval tubes, gives the Swiftly 3 a **clean and modern look whilst ensuring structural strength**. The modular construction fits seamlessly into the Swiftly Family and offers flexible support throughout all stages of life and levels of care.

Small folding size —
Swiftly is particularly fast
and easy to fold.

Further Accessories

Game Changing

ENJO ELECTRIC SLIDING SUPPORT KIT

Add-on

Drum brake kit
helps ensure controlled braking and safer navigation on hills and inclines.

Chin support
It supports children with limited head control by providing gentle stabilisation whilst allowing full freedom of movement. This makes it easier for them to take in their surroundings, make eye contact and participate actively in everyday life.

Patent pending!

Pneumatic wheels, upgrade kit

Crotch pad with magnetic lock

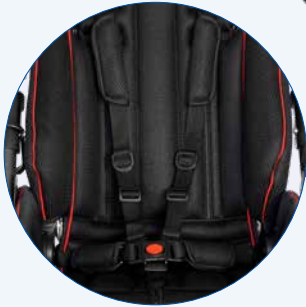

Our lightweight rehab strollers for both small & larger kids

Simple use, light & swift

Here comes **Swiftly¹** & **Swiftly²**

A sturdy, comfortable rehab stroller with a fixed seat; it can withstand the many stresses of day-to-day life and is quickly ready for use. It's not just for little ones, because: Even 'slightly bigger' children weighing up to 50 kg and up to 150 cm can sit comfortably in the Swiftly 2.

Swiftly¹

The padded 5-point harness helps to position the pelvis and upper body and provides a secure hold. The seat, backrest and footrest ensure comfort and a comfortable sitting position.

Fig. Swiftly 2

Small folding size — Swiftly is fast and easy to fold.

Toolless Seat depth adjustment — even whilst the child is sitting in the buggy.

Comfortable sitting for the child: the washable seat cover is soft and breathable — to prevent sweating and ensure an all-round cosy feel.

A comfortable reclined rest position helps to promote short periods of relaxation and recovery.

Swiftly²

The folding lock (now also available in size 3) keeps everything securely folded together.

The backrest angle can be individually adjusted using a lever, ensuring a comfortable seating position tailored to your needs.

The optional seat minimizer provides extra support and positioning for smaller children, creating a comfortable fit during early use. As your child grows, it can be removed to accommodate their changing needs, making it a long-lasting solution throughout the transition years. Available in black or red.
